Friday 6th November 2026

Dear Parents and Carers,
Year 8 Memorable Experience – Culture in the Capital

At New Line Learning Academy, we believe that every student deserves access to exceptional experiences, both within and beyond the classroom. As part of our commitment to Personal Development, we have developed a five-year programme of Memorable Experiences, designed to broaden horizons, develop confidence and provide opportunities for students to learn, grow and thrive together.

We are delighted to confirm that our Year 8 Memorable Experience, Culture in the Capital, will take place on **Tuesday 8 December 2026**, when our entire Year 8 cohort will travel to London for a day of cultural discovery and learning.

This experience forms part of our planned Personal Development curriculum and reflects our commitment to ensuring that every student has the opportunity to *Experience More*. All Year 8 students are expected to participate, and the Academy is covering the full cost of the visits, including transport and admission, so that there are no financial barriers to participation.

Students will have the opportunity to explore one of four iconic London attractions:

- **SEA LIFE London Aquarium**
- **Imperial War Museum**
- **Natural History Museum**
- **British Museum**

Each experience has been selected to inspire curiosity, broaden students' understanding of the world and develop the cultural capital that will enrich their learning throughout their time at New Line Learning Academy and beyond.

Each visit can accommodate up to 60 students. Please use the link below to complete the online form where students should indicate their first, second and third preferences. We will aim to accommodate students' preferences wherever possible, although allocations will depend on availability.

Please complete this form by **Thursday 12 November 2026.**

On the day, students will depart from the Academy at approximately 9.00am, returning between 3.00pm and 3.30pm. All visits will be led and supervised by NLL staff.

There is **no cost to families** for this Memorable Experience. Students may bring a small amount of spending money for gift shops if they wish, but this is entirely optional. Students will be expected to wear full uniform and demonstrate our usual high standards of behaviour throughout the day.

Any further arrangements or changes will be communicated in advance.

Our Memorable Experiences programme is built on the principle that every student should have the opportunity to take part, regardless of their circumstances or individual needs.

If you have any concerns about your child's participation, or there are circumstances that may make attendance difficult, we ask that you contact your child's Year Team so that we can discuss these with you and explore how best to support their involvement. We are committed to working with families to overcome barriers wherever possible.

For general enquiries about the visits, please contact Mr Cooper at **pcooper@newlinelearning.com**.

We are looking forward to another fantastic Memorable Experience for our students, providing opportunities to discover new interests, deepen their understanding of the world and create memories that will stay with them long after they leave the Academy.

Yours sincerely,

Mr P Cooper
Associate Assistant Headteacher
