

Year 7

Key Performance Indicators - History

H7.1: To analyse historical sources.			
Mastered I can explain and evaluate the utility of sources using contextual knowledge.	Secure I can explain and evaluate the utility of sources without using contextual knowledge.	Developing I can create supported inferences from sources.	Emerging I can describe an event using evidence from sources.
H7.2: To analyse the causes and consequences of historical events.			
Mastered I can prioritise and make supported judgements about the causes and consequences of the Battle of Hastings and the Norman conquest of England.	Secure I can categorise the causes and consequences of the Battle of Hastings and the Norman conquest of England.	Developing I can describe the causes and consequences of the Battle of Hastings and the Norman conquest of England.	Emerging I can identify the causes and consequences of the Battle of Hastings and the Norman conquest of England.
H7.3: To analyse the reasons for, and impact of, different interpretations of history.			
Mastered I can use contextual understanding to explain the different interpretations of key individuals.	Secure I can explain why there are different interpretations of key individuals.	Developing I can describe the differences between interpretations of a key individual.	Emerging I can describe an interpretation of a key individual.
H7.4: To analyse the significance of events in history.			
Mastered I can evaluate how the significance of an event varies in different social/cultural groups, and over time.	Secure I can analyse how an event was significant considering its short and long term effects.	Developing I can explain why an event is significant.	Emerging I can describe a significant event.
H7.5: To analyse change throughout history.			
Mastered I can evaluate the significance of change in history.	Secure I can explain examples of change in history.	Developing I can describe examples of change in history.	Emerging I can identify examples of change in history.
H7.6: To analyse continuity throughout history.			
Mastered I can evaluate the significance of continuity in history.	Secure I can explain examples of continuity in history.	Developing I can describe examples of continuity in history.	Emerging I can identify examples of continuity in history.

H7.7: To improve precise knowledge of history.			
Mastered I can describe the key features of the Roman Empire using historical terms.	Secure I can describe many features of the Roman Empire.	Developing I can describe many features of the Roman Empire.	Emerging I can describe some features of the Roman Empire.
H7.8: To improve precise knowledge of history.			
Mastered I can describe the role of key factors in the Norman invasion and conquest.	Secure I can categorise many of the events of the Norman invasion and conquest.	Developing I can describe many of the events of the Norman invasion and conquest.	Emerging I can describe some of the events of the Norman invasion and conquest.
H7.9: To improve precise knowledge of history.			
Mastered I can describe many of the actions of Becket and King John; and their importance today.	Secure I can describe many of the actions of Becket and King John and their impact on others.	Developing I can describe many of the actions of Becket and King John.	Emerging I can describe some of the actions of Becket and King John.
H7.10: To improve precise knowledge of history.			
Mastered I can describe the role of key factors in the change of crime in history.	Secure I can describe the different features of crime in history.	Developing I can describe many of the features of crime in history.	Emerging I can describe some of the features of crime in history.
H7.11: To improve precise knowledge of history.			
Mastered I can describe the role of key factors in the change of punishment in history.	Secure I can describe the different features of punishment in history.	Developing I can describe many of the features of punishment in history.	Emerging I can describe some of the features of punishment in history.
