

## Year 9

### Key Performance Indicators - History

<b>H9.1: To analyse the causes of historical events.</b>			
<b>Mastered</b> I can prioritise and make supported judgements about the causes of medical advances.	<b>Secure</b> I can categorise the causes of medical advances.	<b>Developing</b> I can describe the causes of medical advances.	<b>Emerging</b> I can identify the causes of medical advances.
<b>H9.2: To analyse the consequences of historical events.</b>			
<b>Mastered</b> I can prioritise and make supported judgements about the consequences of medical advances.	<b>Secure</b> I can categorise the consequences of medical advances.	<b>Developing</b> I can describe the consequences of medical advances.	<b>Emerging</b> I can identify the consequences of medical advances.
<b>H9.3: To analyse change throughout history.</b>			
<b>Mastered</b> I can evaluate the significance of change in history.	<b>Secure</b> I can explain examples of change in history.	<b>Developing</b> I can describe examples of change in history.	<b>Emerging</b> I can identify examples of change in history.
<b>H9.4: To analyse continuity throughout history.</b>			
<b>Mastered</b> I can evaluate the significance of continuity in history.	<b>Secure</b> I can explain examples of continuity in history.	<b>Developing</b> I can describe examples of continuity in history.	<b>Emerging</b> I can identify examples of continuity in history.
<b>H9.5: To analyse the significance of individuals in history.</b>			
<b>Mastered</b> I can analyse how a person was significant considering their short and long term effects.	<b>Secure</b> I can analyse how a person was significant considering their positive and negative effects.	<b>Developing</b> I can explain why a person is significant.	<b>Emerging</b> I can describe a significant person.
<b>H9.6: To analyse the significance of events in history.</b>			
<b>Mastered</b> I can evaluate how the significance of an event varies in different social/cultural groups, and over time.	<b>Secure</b> I can analyse how an event was significant considering its short and long term effects.	<b>Developing</b> I can explain why an event is significant.	<b>Emerging</b> I can describe a significant event.
<b>H9.7: To analyse historical sources.</b>			
<b>Mastered</b> I can explain and evaluate the utility of sources using contextual knowledge.	<b>Secure</b> I can explain how audience and purpose affects a source.	<b>Developing</b> I can create supported inferences from sources.	<b>Emerging</b> I can describe an event using evidence from sources.

<b>H9.8: To improve precise knowledge of history.</b>			
<b>Mastered</b> I can describe the role of key factors in medieval medicine.	<b>Secure</b> I can describe the role of key individuals in medieval medicine.	<b>Developing</b> I can describe many features of medieval medicine.	<b>Emerging</b> I can describe some features of medieval medicine.
<b>H9.9: To improve precise knowledge of history.</b>			
<b>Mastered</b> I can describe the role of key factors in Renaissance medicine.	<b>Secure</b> I can describe the role of key individuals in Renaissance medicine.	<b>Developing</b> I can describe many features of Renaissance medicine.	<b>Emerging</b> I can describe some features of Renaissance medicine.
<b>H9.10: To improve precise knowledge of history.</b>			
<b>Mastered</b> I can describe the role of key factors in industrial medicine.	<b>Secure</b> I can describe the role of key individuals in industrial medicine.	<b>Developing</b> I can describe many features of industrial medicine.	<b>Emerging</b> I can describe some features of industrial medicine.
<b>H9.11: To improve precise knowledge of history.</b>			
<b>Mastered</b> I can describe the role of key factors in modern medicine.	<b>Secure</b> I can describe the role of key individuals in modern medicine.	<b>Developing</b> I can describe many features of modern medicine.	<b>Emerging</b> I can describe some features of modern medicine.
<b>H9.12: To improve precise knowledge of history.</b>			
<b>Mastered</b> I can describe the changes in medical treatment generally as a result of WW1.	<b>Secure</b> I can describe the changes in medical treatment in war as a result of WW1.	<b>Developing</b> I can describe many features of medical treatment on the Western Front.	<b>Emerging</b> I can describe some features of medical treatment on the Western Front.
