

New Line Learning Academy

Believe and Achieve

Wednesday 4th September 2019

Dear Parent/Guardian,

Please find below a list of our after-school clubs starting from week commencing Monday 9th September. Sport enrichment here at NLL is central to the ethos of the school and we give students opportunities beyond the classroom through our after-school clubs and fixtures. We would like to invite students to attend our clubs, which details of, can be found below. Please fill out the reply slip and return to the PE Department or Reception so that we have an idea of numbers. Clubs are open to all students within NLL Academy and we welcome everyone to come and take part.

Yours Faithfully,

Mr Fatania

Faculty Leader of Physical Education

Student Name _____ **Year Group** _____
